

About the Instigator:

My name is Steve Malan

I joined the Insurance Industry in Jan 1981

I have an NQF level 5 Certificate in Higher Financial Planning.

I am licensed with the Financial Services Board under FSP License number 7581

I do not write the Snappshott code myself.

I believe in the premise that the most successful people in the world know who to hire

The coder who cobbles these ideas together for me using the latest technological tools

so that it seems simple for any user to use effectively is one of the best I have ever worked with.

I, personally, am NOT looking for new clients –

However I can put you in touch with a competent financial planner in your area

should you be inclined to register for the Full Snappshott Financial Profiler.
